A NOTE FROM THE DIRECTOR...

I am so happy to have had the opportunity to direct this year's production of Jingle All The Way. Each year, YAT puts on a holiday show that has become known as "Jingle" or "Jingle All The Way". What makes this show special is that each year is completely different--new songs, new choreography, new cast and a new vision.

The part that excited me the most about directing the show this year is not only making my YAT directing debut (woo-hoo!) but, getting the chance to experiment with some new ideas and really making this experience a fun collaborative process for us all. The holidays can be a stressful time for some and I really wanted this production to be a space where everyone can have fun, let loose, and celebrate the season with both friends new and old.

Thank you to Alexa Cohen and Kristina Petrea for trusting me with this production and giving me the freedom to explore my full creative vision. Thank you to the cast for being such fun to work with & the parents for driving the kiddos to and from rehearsal and listening to Christmas music since October. I would lastly like to thank those who worked alongside me- Kelly, for literally everything and then some; Katelynn, for your dedication and patience with the cast; and the biggest thanks to my incredible stage manager and bestie Brooklyn, for being my right hand man, feeding into my wild ideas, doing majority of the decor and always keeping us laughing. This production truly would not have been the same without you.

Now sit back, relax and enjoy the magic of the holidays!
