Young Actors' Theatre Presents

"Marvelous Wonderful Things Can Come True"

A NOTE FROM THE DIRECTOR

*Welcome home, welcome home
Welcome home, welcome home my friend*

During the first in-person rehearsal, those song lyrics from the closing number of our show brought tears to my eyes. It truly felt like I was being welcomed home to a rehearsal space, a stage, and Young Actors' Theatre.

This year has been a challenge for me and seeing our cast back on stage after over a year of Zoom meetings was the welcome home I needed to bring a little spark back into my own life. I hope our show can be that spark for you as well.

For those of you who have lost a loved one during this pandemic, my condolences and love go out to you and your family. May the spirit of those we have lost continue to guide us as we make our way out of this pandemic. And may the words of our cast remind us that we are always surrounded by those we love and have loved.

*Feel them there
And everywhere
In everything that you are*

*Joe Dionisio
Director, James and the Giant Peach*

*A Special THANK YOU to all of our wonderful parents
and the YAT Board of Directors for their help in this
production!*
